Sheldon dreams of being part of his school's football team, but he just doesn't make the cut. The only way he can participate as a team player is to be the team mascot, Blobby the Blowfish. But when Sheldon the Mascot scores a spectacular (albeit accidental) win for his team, he becomes Shell Land's star athlete. The problem is that he can only perform his athletic feats provided he wears his mascot costume. Dr. Shell helps him play without the Blobby suit by giving him new magical "mojo"...that Sheldon only later discovers is a peanut butter bean.
